Legislative.
A Supplement to Schools, introduced
by Mr. Casanella, involves a decided
change, providing that Boards of Educa-
tion, in cities and incorporated towns,
shall be created by appointment instead
of election. It first provides that the
control and management of public
schools shall be vested in a board of six
members in every city or town organized
under charter; that within thirty days
after the passage of the supplement the
State Board of Education shall appoint
these six persons who shall constitute a
Board of Education in the towns for
which they are named, each member of
the local Board to be a resident of five
years standing in said town or city; the
person so appointed by the State Board
to be commissioned by the Governor as
members of such local Board of Educa-
tion. The six members of the local
Board are to hold office as follows: two
till May, 1877; two till May, 1878; and
two till May, 1879; they are to take oath
before the County Superintendent of
Schools, organize ten days after, elect a
President and Clerk to serve one year
each, and adopt by-laws. When a vacan-
cy by expiration of terms occurs the
successor is to be appointed in the way
mentioned above and serve three years,
and in case of a vacancy by death or oth-
erwise the State Superintendent is to ap-
point the successor for the unexpired
term, subject to the approval of the State
Board. The Boards are to hold meet-
ings once a month, and the proceedings
are to be published in such newspapers
as the Boards may direct.

The further provides that the
Boards shall elect such superintendents,
principals, teachers, etc., as are neces-
sary, and shall provide for the proper
management of the schools, etc. It also
provides that the said local Boards shall
have the power to expend not only so
much of the city taxes as are levied, but
also such portion of the State School
fund as may be apportioned to the said
cities; these Boards to have all the
powers of the Boards organized under the
present act except where otherwise pro-
vided. The Boards may spend one-half
of one per cent. for libraries in the
schools.

The Boards are to keep books; to pro-
vide by contract supplies and all work
for the schools, involving \$500 expendi-
ture, and to prepare estimates of yearly
expenditures by or before July 1 each
year. Where the attendance at a school
house exceeds 400 the Boards are to pro-
vide another building, drawing the money
thereof from the officers in charge
of the finances of the city, the last named
officer to provide the means when the
Board shall make the requisition. The
Common Council or other legislative
body is to appoint a visiting committee
of ten. The said finally provides that each
member of the Board of Education of the
towns or cities having 50,000 inhabitants
shall receive \$300 annually, the Presi-
dent to receive \$1,000. In towns hav-
ing less than that number the salaries are
to be one-half those amounts.

Senate Bill No. 28, authorizes cities
and towns to raise money for the pur-
poses of local Centennial celebrations, not
to exceed seven per cent. per capita, such
money to be expended by the Mayors
and other officers.

Mr. Hopper's bill, concerning the rate
of interest on loans secured by mortgages,
which was referred to the Judiciary Com-
mittee, is a very important act. It re-
peals the money laws so far as to permit
any rate of interest on loans secured by
mortgage on real or personal property
when made in writing. It is understood
that this act is to serve instead of the Five
County act in case the provisions of the
latter fail to be extended to the State at
large.

Burlington County secures the State
Treasurer—Ex-Senator Geo. M.
Wright having received the Republican
caucus vote on the 13th ballot by a vote
of 25 to 23 for Mr. Britton of Morris.
Mr. Hays received only 9 votes in all.
Mr. McDonald, of Sussex, was nominated
for State Librarian.

The Committee on Centennial, of which
Mr. Dodd, of Essex, is a member, have
decided to report favorably upon the bill
appropriating \$10,000 for the Centennial
Commission; also, to recommend an ap-
propriation of \$4,000 for the better rep-
resentation of the Educational Depart-
ment of New Jersey in the Exposition.

The House on Wednesday passed the
bill making May 30th (Decoration Day)
a legal holiday; also the bill to repeal
the Belleville city charter and all other
special legislation for that place.

Mr. Traphagen's bill repealing the Mont-
clair road commissioners' act, was pas-
sed.
